PRE-Registration

Please sign up below so that we can schedule the mini-PRG's ahead of time, as much as possible. There may be many that wish to have a PRG. If you have experienced a PRG yourself, please consider being of service in this way: by scheduling to give a 15 minute mini-PRG. As always, it takes two people to give a PRG for an individual, so we need twice as many to give as the number to receive. Also, there is nothing to stop you from giving a PRG or two, and scheduling to have one yourself too. Thank you in advance for your service. \$20 suggested donation may be given at the door. *No one turned away for lack of funds.*

Please email this completed form to HappyDAIS@sactoda.org or bring it in on the day.
